

SAMBOURNE PARISH COUNCIL
ASSET RISK ASSESSMENT REGISTER

The management of risk is an important part of the Council's work; making sure that the people who use our facilities are safe and protecting the assets that the Council hold. Risk assessment takes place on a regular basis and is reviewed annually.

Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify any and all potential risks. The Parish Council, based on a recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks, insofar as is practicable.
